

## Engifind Terms of Use

### 1. Acceptance of Terms

By accessing or using the Engifind website (the "Platform"), operated by **BY Civil Engineering Consulting Co., Ltd.** ("BY Consulting"), you agree to be bound by these Terms of Use and all applicable laws and regulations. If you do not agree to these Terms, you must not use the Platform.

For any inquiries regarding these Terms, you may contact us through the official email address published on our website.

---

### 2. Platform Overview

The Platform serves as an information and connection hub for the civil engineering industry, providing overseas clients with access to supplier profiles. When visitors click the "Contact Supplier" button, the Platform displays the contact information (such as telephone, mobile, email, or official website) submitted by the supplier. All further communication and transactions occur directly between the client and the supplier, without the involvement of BY Consulting.

---

### 3. User Obligations

- Users must ensure that any information they submit (if applicable) is true, lawful, and accurate.
  - Users may not misuse the Platform in ways that harm its integrity, including spamming, providing false information, or infringing third-party rights.
- 

### 4. Supplier Obligations

- Suppliers are solely responsible for the accuracy and legality of the information and products they publish.
  - BY Consulting verifies suppliers to the best of its ability but does not guarantee the completeness, accuracy, or reliability of supplier content.
  - Any contractual or commercial relationship is strictly between the supplier and the client.
- 

### 5. Intellectual Property

All content on the Platform, including but not limited to text, graphics, logos, and design created by BY Consulting, is owned by BY Consulting or its licensors.

Logos, product images, descriptions, and other materials provided by suppliers remain the property of the respective suppliers or their licensors. By submitting such materials to the Platform, suppliers grant BY Consulting a non-exclusive, worldwide, royalty-free license to display, reproduce, and distribute the materials solely for the purpose of operating and promoting the Platform.

Suppliers warrant that the materials they provide do not infringe the intellectual property rights of any third party. Any disputes or liabilities arising from such materials shall be borne solely by the suppliers.

---

### 6. Privacy and Data

The Platform does not collect or transmit user inquiries. Instead, visitors may directly contact suppliers through the contact information displayed. BY Consulting does not monitor or store such communications and bears no responsibility for the content of any exchanges between clients and suppliers.

---

## **7. Disclaimers and Limitation of Liability**

- The Platform is provided “as is” without warranties of any kind.
  - BY Consulting is not responsible for:
    - (a) the accuracy or legality of supplier information;
    - (b) supplier performance or fulfillment of obligations;
    - (c) any damages arising from the use of the Platform.
  - To the maximum extent permitted by law, BY Consulting shall not be liable for any indirect, incidental, consequential, or punitive damages arising from the use of the Platform.
- 

## **8. External Links**

The Platform may contain links to third-party websites, including supplier websites. These links are provided for convenience only. BY Consulting does not endorse, control, or assume responsibility for the content, availability, or services of third-party websites. Accessing such websites is at your own risk.

---

## **9. Governing Law and Jurisdiction**

These Terms shall be governed by the laws of the People's Republic of China. Any disputes shall be submitted to the exclusive jurisdiction of the competent courts in Shanghai, China.

---

## **10. Modification of Terms**

BY Consulting reserves the right to amend these Terms at any time. Revised Terms will be posted on the Platform and take effect immediately upon posting. Your continued use of the Platform after such updates constitutes acceptance of the revised Terms.
